

SVERA

SVERA STUDIO sp. z o.o. is a consulting company registered in Poland. We work primarily with mid-sized and large companies on market entry, launch projects and the research, marketing, digital and legal structuring work they require. For technical expertise we work with specialist engineering partners.

SERVICE AREAS

Strategy & Market Entry

Market entry strategy, business models, partnerships and launch plans.

Market Research & Marketing

Research, positioning, marketing and communications for new markets.

Digital & IT Solutions

IT consulting, digital platforms, integrations and automation.

Legal Structuring Support

Deal and project structures, contract models and risk assessment.

Technical Consulting

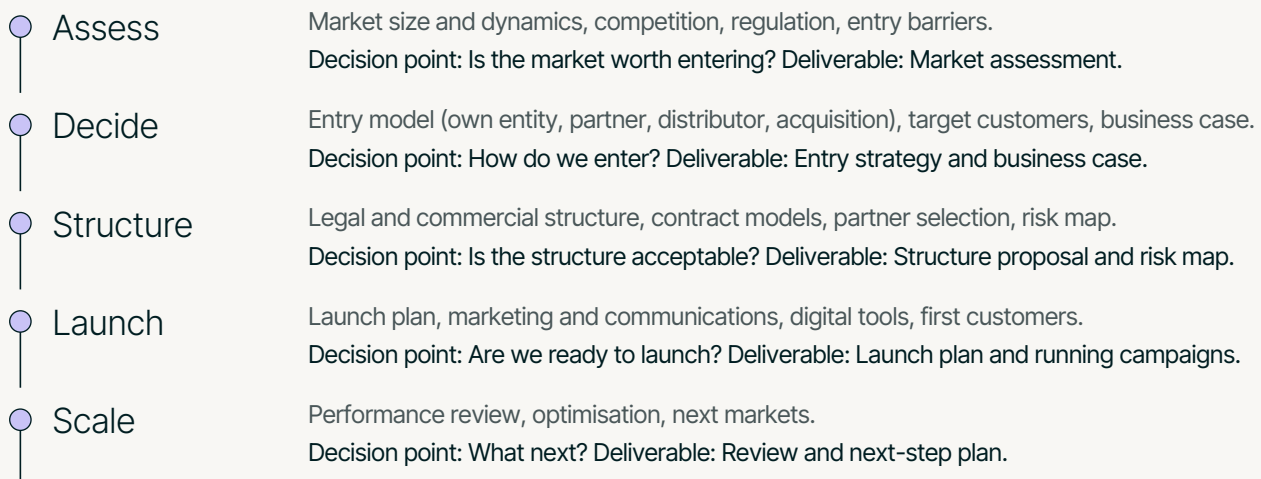

Technical expertise delivered with specialist engineering partners.

Business Development & Market Access

Finding and introducing the right counterparties, and support until the contract is signed.

The SVERA Market Entry Framework.

Five phases with clear decision points. Every phase ends with a document the leadership team can approve — or stop the project with good reason.

Who delivers

Strategy, research, marketing and digital

SVERA's own team.

Legal structuring support

Our in-house legal specialist. Formal legal opinions and representation are provided by licensed law firms.

Technical consulting

Specialist engineering partners, coordinated by SVERA.

Working with partners

SVERA works with specialist partners on projects and remains responsible to the client for the coordinated result. Partners have no authority to act or sign on behalf of SVERA.

CONFIDENTIALITY AND DATA

We sign an NDA before we receive any data or documents. We handle personal data in accordance with the GDPR.

HOW WE ARE PAID

Depending on the engagement, we work on a fixed fee, a monthly retainer, a success fee — a percentage of the contracts concluded as a result of our work — or a combination of these. The model and the terms are always set out in a written agreement before work begins.
